

First of all you must understand this, that no prophecy of scripture is a matter of one's own interpretation, because no prophecy ever came by human will, but men and women moved by the Holy Spirit spoke from God. But false prophets also arose among the people, just as there will be false teachers among you, who will secretly bring in destructive opinions. They will even deny the Master who bought them--bringing swift destruction on themselves. Even so, many will follow their licentious ways, and because of these teachers the way of truth will be maligned. (2 Pet 1:19 - 2:2)
